| Live Streamed | Scientific Session | Scientific Session | On Demand | On Demand | On Demand | On Demand | Meet The Expert | Industry session | Live Streamed | Scientific Session | On Demand | Industry session | |
| 08.30-09:00 | Plenary Session 02: Future CVD management: from gene to phenotype to treatment | | | | | | | | Sponsored Session 4 (not included in the main CME-CPD of Congress) | Plenary Session 03: The rise of cardiometabolic disease as global health threat: towards the UN 2030 goals | | | |
| 09.00-09:30 | | | | | | | | | | | Workshop: Extracellular matrix components: guardians of vascular health | Late breaking clinical session (10:00 -11:15) | Sponsored Session 5 (not included in the main CME-CPD of Congress) (11:00 - 11:45) |
| 09.30-10:00 | | | | | | | | | | | | | |
| 10.30-11:00 | Workshop: Immunopathological responses elicited by lipoprotein retention in the arterial wall | | | | | | | | Sponsored Session 4 (not included in the main CME-CPD of Congress) | Workshop: Extracellular matrix components: guardians of vascular health | Late breaking clinical session (10:00 -11:15) | Sponsored Session 5 (not included in the main CME-CPD of Congress) (11:00 - 11:45) | |
| 11.00-11:30 | | | | | | | | | | | | | |
| 11.30-12:00 | | | | | | | | | | | | | |
| 12.30-13:00 | | | Workshop: Diet and CVD | | | | | | | | Keynote | | |
| 13.00-13:30 | | | | | | | | | | | | | |
| 13.30-14:00 | | PPAR as a therapeutic target -more than meets the eye? (13:30-14:45) | | | | | | | | Lifestyle and prevention: Secrets to success (14:00 - 15:00) | | | |
| 14.00-14.30 | | | | | | | | | | | | | |
| 14.30-15.30 | | Debate: Novel biomarkers in cardiometabolic Diseases: Relevance for Clinical practice? | | Lymphatics, lipoproteins and the endothelium (14:30 - 15:10) | Workshop: Cell metabolism and vascular health | Liver as the center of lipid metabolism | Rapid fire Session - Preclinical | | | | | | |
| 15.00-15:30 | | | | | | | | | | | | | |
| 15.30-16.00 | WHF/FH Europe/EAS round table discussion: Next steps after the global call to action | | | | | | | | | Atherosclerosis in ageing societies | | | |
| 16.00-16:30 | Workshop: Aortic valve stenosis and Lp(a): from genetics to pathophysiology | IAS/EAS Joint Session: Universal cardiovascular health – time to act | | | | | | | | | | | |
| 16.30-17.00 | | | | | | | | | | | | | |
| 17.00-17.30 | | | | | | | | | | | Workshop: Imaging the vulnerable plaque | | |
| 17.30-18:00 | | | | | | | | | | | | | |
| 18.00-18:30 | NLA/EAS joint session - Women, atherosclerosis and lipids: What is different | | Young Fellows session | | | | | | | | | | |
| 18.30-19:00 | | | | | | | | | | | | | |
| 19.00-19:30 | | | | | | | | | | | | | |
